Civil Action No. 07-CV-04819 (CM)

**AFFIDAVIT OF DAVID A.P. BROWER ON BEHALF OF  
BROWER PIVEN, A PROFESSIONAL CORPORATION IN SUPPORT  
OF JOINT PETITION FOR ATTORNEYS' FEES AND DISBURSEMENTS**

STATE OF NEW YORK     )  
                                  ) ss.:  
COUNTY OF NEW YORK    )

David A.P. Brower, being duly sworn, deposes and says:

1. I am a principal of the firm of Brower Piven, A Professional Corporation, co-counsel for plaintiffs in the above-entitled securities class action brought against Telik, Inc. ("Telik") and certain of its directors and officers (the "Action"), and counsel for plaintiff Ramesh K. Mehan, one of the class representatives appointed by the Court to represent the Class in the Action pursuant to the Order Preliminarily Approving Settlement and Providing For Notice, dated May 6, 2008. I submit this affidavit in support of plaintiffs' application for an award of attorneys' fees and reimbursement of expenses incurred during this litigation.

2. The schedule attached hereto as Exhibit A is a summary, for the purposes of the lodestar cross-check, of the amount of time spent by the professionals of this firm on the litigation, and their respective normal current billing rates. The schedule includes the name of each attorney who worked on the case, their hourly billing rates, and the numbers of hours expended on this matter.

3. As counsel for plaintiffs in the Action, Brower Piven attorneys performed, among

others, the following tasks: initial research and analysis of the Action; briefing and other matters relating to the lead plaintiff appointment process; research, review and analysis for the amended pleadings; matters preparatory to class certification proceedings, including assembling and reviewing our client's documents for production to defendants and preparation for the deposition of our client in connection with the class certification schedule set by the Court; review of the documents produced by defendants relating to the merits of the Action; participation in the depositions of the defendants' employees deposed in this Action; discussions with lead counsel regarding the negotiations of the settlement of the Action; assisting with the drafting of the proposed Stipulation of Settlement, as well as its accompanying notices and implementation orders; and regularly consulting our client regarding the status of the Action and the strategies to be pursued and otherwise assisting him in fulfilling his fiduciary obligations to the Class.

4. As shown by Exhibit A, the total number of hours spent on this litigation by my firm was 194.3 hours. The total lodestar amount for my firm is \$104,611.00. The attorneys' fees calculations were prepared from contemporaneous, daily time records regularly prepared and maintained by my firm, which are available upon request of the Court. Time expended in preparing this application for fees and reimbursement of expenses has not been included in this request.

5. The hourly rates for the attorneys in my firm have been accepted and approved by courts in other securities or shareholder litigation. These rates are the same rates that we bill to and collect from our hourly, non-contingent clients. Indeed, the rates my firm charged here are lower than those we charge some hourly clients, by agreement, to compensate us for the lack of a multiplier or possible higher contingent fee to represent them. As detailed in Exhibit B, my firm

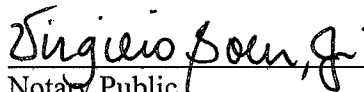

has incurred a total of \$2,333.57 in unreimbursed expenses in connection with the prosecution of this Action.

6. The expenses incurred in the prosecution of this case are reflected on the books and records of this firm. These books and records are prepared from expense vouchers and check records and are accurate regarding all expenses incurred.

7. With respect to my firm's standing and experience, attached hereto as Exhibit C is a brief biography of my firm and the firm's attorneys who worked on this litigation.

## EXHIBIT C

**BROWER PIVEN**

A PROFESSIONAL CORPORATION

With offices in New York City and Baltimore, Maryland, Brower Piven focuses its practice in the areas of complex class action and other representative litigation. The firm's practice areas, while diverse, enable Brower Piven clients to call upon experience and resources available at few firms of its size. Brower Piven clients range from institutional and large private investors, to small and large businesses, to small individual investors and retail consumers. Regardless of the size of the matter, Brower Piven provides every client with the professional service, care, and quality that Brower Piven believes every client deserves.

Attorneys at Brower Piven, some with over 25 years of experience, are nationally recognized in the class action arena. Brower Piven attorneys have served their clients in literally hundreds of actions in virtually every state and federal court in the nation.

Some current matters in which Brower Piven has a leadership role demonstrate the scope of the firm's expertise. Brower Piven is co-lead counsel in the *In re Merck Securities, Derivative, & "ERISA" Litigation* pending in the United States District Court for the District of New Jersey, considered by many the largest federal securities fraud action in terms of damages in history, and co-lead and liaison counsel in the shareholder litigations challenging the proposed \$38 billion take-over of Equity Office Properties Trust, one of the largest going private transactions in business history. Brower Piven is also currently co-lead counsel in the following federal securities class actions: *Freudenberg v. E\*Trade Financial Corporation, et al.* (S.D.N.Y.); *Manson v.
